CHALLENGE AND CHANGE.

Women in the Northern Powerhouse.

This conference is an opportunity to get together and find out more about what it means to be a Woman in the Northern Powerhouse – together we can ensure its something positive and beneficial for us all. The day is designed to inform and inspire you, with something for all who want to attend. This means we have a mixture of speaker input, participative workshops and round table discussions.

Come along to:-

- Explore the promise of the northern powerhouse for women
- Gain new perspectives on change
- Understand the issues around gender difference when managing change
- Gain some inspiration
- Meet other members to network
- Join a workshop of your choice
- Share your ideas on how we can effectively take WiM forward in the North West
- Take part in exciting discussions to develop new thinking
- Meet the WiM Team – perhaps you may want to be involved
